Enhance your supervisory skills by attending the Management Skills Series.

Date and Topic:

April 14 – EPA Business Environmental Compliance-Oklahoma DEQ.

Presented by: Dianne (“Dee-Ann”) Wilkins.
She has been the Pollution Prevention (P2) Program Manager at the Oklahoma Department of Environmental Quality since 1992. Dianne has provided onsite technical assistance at >400 facilities across Oklahoma and other states. She has traveled to South Africa, China, Thailand, the Philippines, Mexico, and South Korea to deliver training and technical assistance to manufacturers and government employees.

Dianne graduated from the University of Oklahoma with a degree in Petroleum Engineering and worked as a petroleum engineer in the Oklahoma independent oil industry and with the government of Trinidad and Tobago. She is a Certified Public Manager.

Dianne is a former member of the National Environmental Justice Advisory Council Pollution Prevention Workgroup and International Sub-Committee; Region 6 Board member for the National Pollution Prevention Roundtable (NPPR); Board member for CASA (Court Appointed Special Advocate) Voices for Children, Keep Oklahoma Beautiful and Girl Scouts–Sooner Council. She has been a Senior Quality Examiner for the Oklahoma Quality Award Foundation.
