THE FOLLOWING POLICIES AND PROCEDURES ARE CONDENSED FOR THIS PACKET AND ALL STUDENT POLICIES AND PROCEDURES CAN BE VIEWED IN FULL ON OUR WEBSITE AT www.sotc.edu.

1. INTRODUCTION
Welcome to Southern Oklahoma Technology Center ("SOTC" or "District"). Your presence here indicates that you have a sincere interest in technology education. Your application for enrollment was reviewed carefully, and you have been accepted because you have potential for success in the program you have chosen. In order to ensure your success, your complete understanding of SOTC’s policies and procedures is required along with your full cooperation in abiding by them. SOTC’s policies and procedures are subject to revision by the SOTC Board of Education and should be reviewed for your information on our website.

2. NON-DISCRIMINATION (Policy AB)
The District is committed to the policy that no person shall be unlawfully subjected to discrimination in, excluded from participation in, or denied the benefits of any educational program, extra-curricular activity, or employment in the District on the basis of race, color, national origin, religion, sex, age, disability, or veteran status.

3. TOBACCO PRODUCTS (Policy BB)
All District property is designated as non-smoking and tobacco free. Smoking or the use of any tobacco product, including but not limited to cigarettes, cigars, pipes, smokeless tobacco, or vapor e-cigarettes shall not be allowed in any District-owned building, anywhere on District's campus, or in any vehicle owned or leased by District. All entrances to any District-owned building shall be posted with signs stating that smoking and the use of tobacco is prohibited. Smoking or other use of the above listed tobacco or vapor e-cigarette related products by District employees or students while in or on school properties or while participating in a District-sponsored event are specifically prohibited.

4. SAFETY EDUCATION (Policy BC)
The practice of safety shall also be considered a facet of the instructional plan of the District by virtue of educational programs such as traffic and pedestrian safety, driver education, fire prevention, awareness of rape, acquaintance rape,
other sex offenses, and emergency procedures and practices - including encouraging students and employees to be responsible for their own security and the security of others. Programs will also be offered to students and employees regarding the prevention of crimes. In addition, safety education shall be provided to students as is necessary and appropriate to the program in which the student is participating.

5. **VACCINATIONS**
The Oklahoma Immunization Act requires all students to meet immunization requirements before they enter or attend any public or private school in the state. It allows exemptions for medical, personal, or religious reasons. If you are exempt from immunizations, please fill out an Immunization Exemption Form which is located in Student Services.

6. **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)** (Policy EF)
FERPA affords parents and students over 18 years of age (eligible students) with certain rights with respect to the student’s educational records. These rights include:

- Right to and procedure for inspecting and reviewing student’s education records
- Right to and procedures for requesting amendment of student’s education records believed to be inaccurate, misleading, or in violation of student’s privacy rights
- Right to consent to disclosure of personally identifiable information contained in student’s education records
- Right to file a complaint with ED for alleged school’s or educational agency’s failure to comply with FERPA requirements
- Right to the criteria used to determine what constitutes a school official and a legitimate educational interest if school’s or educational agency’s policy is to disclose personally identifiable information from a student’s education records under §99.31 without prior consent

For additional information, please go to:

7. **TRANSPORTATION** (Policy BF)
The District shall furnish transportation to enrolled students who reside within the District to and from the student’s home high school or, for adult students, to and from a high school served by the District. Such transportation may be provided either with District-owned buses or through contractual
arrangements with the high schools that are sending students to SOTC. Students shall be expected to comply with any administrative regulations regarding conduct on buses.

**BUS RIDING RULES**

Riding an SOTC school bus is a privilege and the privilege may be taken away for failure to abide by the rules listed below. If a student desires to ride a bus that is not their normal route, prior approval must be obtained by an SOTC administrator before the student is allowed to board the bus.

**ALL PASSENGERS ARE SUBJECT TO AUDIO AND VIDEO SURVEILLANCE!**

**PRIOR TO LOADING – STUDENTS SHOULD:**

- Be on time at the designated school bus stop – keep the bus on schedule.
- Stay off the road at all times while waiting for the bus.
- Wait until the bus comes to a complete stop before attempting to enter.
- Be careful when approaching bus stop.
- Respect people and their property while waiting for the bus.

**WHILE ON THE BUS – STUDENTS SHOULD:**

- Keep all parts body inside the bus.
- Refrain from the use of any type of tobacco, alcohol, or drugs.
- Assist in keeping the bus safe and clean at all times.
- Remember that loud talking and laughing or unnecessary confusion diverts the driver’s attention and may result in a serious accident. (The life you save may be your own.)
- Treat bus equipment as you would valuable furniture in your home. Damage to seats, etc., must be paid for by the offender.
- Never tamper with the bus or any of its equipment.
- Maintain possession of books, lunches, or other articles and keep aisle clear.
- Remember that use of foul language or cursing will not be tolerated.
- Not throw objects in or out of the bus.
- Remain in your assigned seat; it is your responsibility.
- Remain quiet when approaching a railroad-crossing stop.
- Refrain from horseplay and fighting.
- Be courteous to fellow students and bus driver.
- Remain in the bus during road emergencies except when it may be hazardous or unsafe to do so. (Hazardous or unsafe emergencies will be determined by the driver.)
- Remember that knives or other sharp objects are prohibited.
• Refrain from all other types of behavior deemed by the bus driver or Technology Center Administration as inappropriate or unacceptable.

AFTER LEAVING THE BUS – STUDENTS SHOULD:
• Go at least ten (10) feet in front of the bus stop, wait for the bus driver’s signal, and stay clear of traffic.

EXTRACURRICULAR TRIPS:
The above rules and regulations will apply to all trips under school sponsorship.

PENALTY FOR DEFACING A SCHOOL BUS:
First Offense: Mandatory suspension from riding the school bus for up to five (5) days and payment of damages in full before the student may return to riding the bus.
Second Offense: Mandatory suspension from riding the school bus for up to remainder of the school year and full payment of damages.

PENALTY FOR UNACCEPTABLE CONDUCT ON A SCHOOL BUS:
Any conduct that subjects the other riders or driver to verbal or physical abuse or causes unsafe conditions or which is deemed by the Technology Center Administration to be unacceptable or inappropriate, may result in the student(s) involved being expelled from riding the bus up to the remainder of the school year.

8. SEXUAL HARASSMENT (Policy BH)
The District is committed to providing equal employment and educational opportunities and, therefore, forbids discrimination against any employee, student, or applicant for employment on the basis of gender. The District further forbids sexual harassment by any employee or student. This policy also applies to non-employee volunteers whose work is subject to the control of District personnel.

9. STUDENT GRIEVANCES (Civil Rights Policy BI)
A student of the District may submit a complaint alleging discrimination on the basis of race, color, national origin, sex, religion, age, or disability. The grievant is encouraged to visit with the compliance officers, Russell Keeton and Alisha Mason, and make a reasonable effort to informally resolve the problem or complaint. Filing a complaint and investigation procedures are as follows:
• If the Complainant desires to proceed with a Complaint, then, the Complainant shall submit a Complaint to a Compliance Officer immediately but no later than fifteen (15) days after the alleged violation. The requirement for timely submission will allow the District to properly investigate and to adequately address the issues raised. Students shall submit complaints to one of the Student Compliance Officers; employees should submit complaints to the Human Resources Director who shall serve as the Compliance Officer for employee complaints under this policy. In either case, the Compliance Officers and the Human Resources Director shall provide the Superintendent with a copy of the Complaint. The Complaint shall state the Complainant’s name, the nature of the alleged violation, the date of the alleged violation, the names of persons responsible, and the requested action.

• Within ten (10) days of receiving the Complaint, the Compliance Officer shall notify the Respondent of the Complaint and shall provide a copy of the Complaint to the Superintendent.

• Within ten (10) days of notification, the Respondent shall submit to the Compliance Officer an answer which shall confirm or deny the facts upon which the allegation is based, indicate acceptance or rejection of the Complainant’s requested action, and/or outline alternatives.

• Within ten (10) days of receiving the Respondent’s answer, the Compliance Officer shall schedule a hearing with the Complainant and the Respondent. In determining whether a violation has occurred and whether there has been discrimination, the Compliance Officer shall consider A) the surrounding circumstances, b) the nature of the behavior, c) past incidents or continuing patterns of behavior involving either the Complainant or the Respondent, d) the relationship between the parties, f) the ages of the parties, and g) the context in which the alleged violation occurred. The Compliance Officer shall determine on a case-by-case basis considering all of the facts and circumstances presented whether a violation of a person’s civil rights has occurred.

• Within ten (10) days of receipt of the Compliance Officer’s decision, if either the Complainant or the Respondent is not satisfied with the decision of the Compliance Officer, either may submit a written request to the Compliance Officer for a hearing before the Board.

• Within ten (10) days of receiving a request for a hearing before the Board, the Compliance Officer shall notify the Board and the Superintendent of the request for a hearing and shall schedule a
hearing to be conducted by the Board. Such hearing shall be conducted within thirty (30) days of the date on which the Compliance Officer receives notification of the request for a Board hearing. A hearing before the Board shall generally consist of a review of the written record and any tape recording of the hearing conducted by the Compliance Officer, unless the Board requests additional information of the parties.

- The Board shall render its decision on the Complaint at the Board meeting where the hearing is held. The Board may affirm, reverse, or modify the decision of the Compliance Officer. The decision of the Board shall be final and shall be reflected in the minutes of the Board meeting. If the Complainant is not present at the Board meeting, the Compliance Officer shall notify the Complainant in writing of the Board’s decision.

- All employees and students shall cooperate with any investigation of the violation of this policy.

**Extension of Time:** Any time limits established by this policy and these procedures may be extended by mutual consent of the parties involved. However, the total number of days from the date that a Complaint is filed until the Complaint is resolved shall not exceed one hundred eighty (180) days.

**Confidentiality of Records:** All records, complaints, notes, documents, and statements made during or relating to allegations of discrimination shall be maintained on a confidential basis by the Compliance Office to the extent possible. Disclosure of the Complaint and facts surrounding the Complaint shall be limited to those persons with a need to know, including but not limited to, the Superintendent, appropriate supervisory personnel, the Respondent, and other persons to the extent necessary to fully investigate the Complaint. If a Complainant wishes to remain anonymous, the Complainant shall be informed that such confidentiality may significantly limit the District’s ability to fully investigate and respond to the Complaint.

No information concerning any Complaint shall be documented in an employee’s personnel file. However, in the event official proceedings relating to such allegations are initiated by a party or the District, such records may become public in accordance with law. Information pertaining to Complaints shall be maintained for three (3) years after resolution of the Complaint or after completion of the investigation of a Complaint.

**Discipline:** The Compliance Officer may recommend to the appropriate supervisory personnel that students or employees who are found to have
engaged in discrimination in violation of the District’s policies prohibiting
discrimination be disciplined. An employee may be subject to disciplinary
action up to and including termination or non-reemployment. A student may
be subject to disciplinary action up to and including suspension or expulsion.
Retaliation: No person shall take any retaliatory action against a Complainant
or any person who participated in the investigation of alleged discrimination.
Employees or students who engage in prohibited retaliation may be disciplined
as set forth above.

10. INTERNET ACCESS, INTERNET SAFETY, AND ACCEPTABLE USE
POLICY (Policy BJ-R1)

PURPOSE: The purpose of this policy is to establish a set of guidelines and
expectations that will enhance learning at SOTC while protecting employees,
students, and partners from illegal or damaging actions by individuals either
knowingly or unknowingly. Inappropriate use of technology exposes the District
to many risks including viruses, compromised data, and other legal liability.
SCOPE: This policy applies to employees, students, partners, contractors or any
other guests who access District resources using District owned or personal
equipment.
Acceptable Use - The use of District resources must be in support of education
or research and consistent with the educational objectives of Southern
Oklahoma Technology Center. Transmission of any material in violation of U.S.
or state law is prohibited. This includes, but is not limited to: copyright
material, threatening or obscene material, material protected by trade secret,
or other confidential information. Use for commercial activities, product
advertisements, religious promotion, or political lobbying is also prohibited.
Intellectual Property - All “Intellectual Property”, meaning databases, audio
visual material, electronic circuitry, computer software, computer files,
communications, information, inventions, or discoveries, generated through
any activity associated with the District will be considered sole property of the
District.
General Use – Employees, students, partners, contractors or guests are
responsible for exercising good judgment regarding the use of the District's
technology resources. The following activities are, in general, prohibited. While
the list is not exhaustive, it is an attempt to provide a framework for activities
which fall into the category of unacceptable use.
Introduction of malware or malicious software onto District resources is
prohibited.
Port scanning or security scanning is expressly prohibited.
Executing any form of network monitoring which intercepts data not intended for the recipient is prohibited unless this activity is part of an employee’s normal job/duty.

Revealing your password to others or allowing others to use your account is prohibited.

Circumventing user authentication or security of any host, network or account is prohibited.

Bypassing or attempted bypassing of internet filters or other monitoring software is prohibited.

Using any program, script, or command with the intent to interfere with or disable a user’s session is prohibited.

Sending unsolicited email messages, including the sending of “spam” or other advertising material to individuals who did not request such material is prohibited.

Posting non-business related messages to large numbers of individuals, including forwarding of chain letters or other “inspirational” type messages is prohibited.

Storing large amounts of personal photos, music files or other data on District owned servers or computers is prohibited.

Internet Etiquette (Netiquette) - Social Networks, Blogs, Bulletin Boards, Forums, News groups, email, etc. – Internet Etiquette or “Netiquette” is acceptable behavior in electronic communication. All students are expected to comply with the District’s “Netiquette” guidelines as outlined below when participating in online discussions or activities. This list is not exhaustive and is meant to provide a framework for appropriate behavior.

Don’t Participate in Flame Wars. (A flame war is a heated argument between two individuals that results in those involved posting personal attacks on each other.) It’s okay to disagree or constructively criticize an idea, but never personally attack another person.

Always review and edit your communication before submitting. Check grammar and spelling.

Keep your communications as clear and concise as possible. Acronyms (LOL, IMHO, TTYL, etc.) are not acceptable.

Respect and protect personal privacy. Do not share personal, family, or classmate information. (e-mail addresses, phone numbers, birth dates, etc.) Do not “tag” individuals in photos that have requested not to be identified.

Be informal, not sloppy. Your colleagues may use commonly accepted abbreviations in e-mail, but when communicating with external customers, everyone should follow standard writing.

Keep messages brief and to the point. Just because your writing is grammatically correct does not mean that it has to be long.
Use **sentence case.** USING ALL CAPITAL LETTERS LOOKS AS IF YOU’RE SHOUTING. Using all lowercase letters looks lazy.

**Use the blind courtesy copy and courtesy copy appropriately.** Don’t use BCC to keep others from seeing who you copied.

**Be sparing with group e-mail.** Send group e-mail only when it’s useful to every recipient. Use the "reply all" button only when compiling results requiring collective input.

**Don’t send chain letters, virus warnings, or junk mail.** Always check a reputable antivirus Web site or your IT department before sending out an alarm.

**Don’t post or respond to any of the "Make Money Fast" postings.** Most are illegal, and no one in Nigeria will deposit any money into your account!

**Remember that your tone can’t be heard online.** Electronic communication can’t convey the nuances of verbal communication. In an attempt to infer tone of voice, some people use emoticons, but use them sparingly so that you don’t appear unprofessional.

**Use a signature that includes your contact information.** To ensure that people know who you are, include a signature that has your contact information. Avoid pictures or large text in signatures.

**Harassment/Bullying** - With respect to electronic communications, students are specifically prohibited from bullying, harassing, threatening, or intimidating other students, employees, patrons, and guests regardless of where the electronic communications originated.

**Warranty** - Southern Oklahoma Technology Center makes no warranties of any kind. The District is not responsible for any damages resulting from loss of data, delays, non-deliveries, mis-deliveries, or service interruptions caused by its own negligence or your errors or omissions. Use of any information obtained via the District’s technology resources is at your own risk.

**Privacy** – While the District desires to provide a reasonable level of privacy, users should be aware that data or communications transmitted or stored using District resources is considered property of the District and may be accessed at any time without notification. For security and network maintenance purposes, authorized individuals within the District may monitor equipment, systems, and network traffic at any time.

11. **ATTENDANCE POLICY FOR FULL-TIME PROGRAMS** (Policy EB)

The SOTC attendance policy is modeled after the workplace. Students are expected to be in class every day of school and take care of personal business on their own time. Student attendance will be recorded daily and will become part of a student’s permanent record.
ATTENDANCE GUIDELINES FOR HIGH SCHOOL STUDENTS

SOTC expects students to be in attendance just like an employer expects employees to be in attendance. Non-attendance is a poor work habit and can result in termination. Students are expected to take care of personal business outside of school hours.

HIGH SCHOOL STUDENTS ARE ALLOWED UP TO 8 ABSENCES (total excused and unexcused) PER SEMESTER (this includes illness, funerals, military service, court appearances, etc.)

Documentation for excused absences should be submitted to the SOTC Attendance Clerk for verification (students may give written documentation to the Instructor who will give the documentation to the Attendance Clerk).

ATTENDANCE CONFERENCES

Following the 4th absence during the first half of a semester or the 6th absence during the last half of a semester, the student will be sent by the instructor to Student Services for the 1st Attendance Conference and the student will be put on attendance probation. Probation may result in loss of extra-curricular eligibility and credit. A plan of improvement will be developed for the student and the high school counselor and parent/guardian will be notified.

Following the 8th absence in a semester, the student will be sent by the instructor to the Program Director for the 2nd Attendance Conference. If there is no documentation of extenuating circumstances on file and the plan of improvement has not been followed, the student may be dismissed from the program.

In addition to the 8 absences per semester, State Law allows 10 extracurricular absences per year for high school students. These absences must be reported to the SOTC Attendance Clerk by the high school principal (no exceptions). Certain activities which are part of the curriculum are excluded from the 10 day rule, including: District, State and National Leadership Activities, Career Development Events, Project Exhibition (including livestock shows), and Career Guidance Events.

TARDIES

Tardiness is considered to be a poor work habit, and excessive tardiness can result in dismissal from the program. A tardy will be recorded by the instructor when the student arrives after class begins or leaves prior to the end of class. Three tardies equal an absence. Attendance conferences will be scheduled with
the Student Services Director, a Program Director, or Assistant Superintendent as needed for excessive tardies.

**UNSATISFACTORY ATTENDANCE**
Students with unsatisfactory attendance/and or failing grade will be advised to return to their respective home school, full time, at the end of the semester.

**NON-ATTENDANCE**
Students who are absent 5 consecutive days without notifying the SOTC Attendance Clerk may be administratively withdrawn.

**SEMESTER EXAM EXEMPTION (HIGH SCHOOL AND ADULT)**
Students meeting the exemption criteria will be exempt from the semester exam.

**Exemption Criteria:**
- “A” average and no more than 2 absences
- “B” average and no more than 1 absence

**LEAVE OF ABSENCE FOR ALL STUDENTS (HIGH SCHOOL AND ADULT)**
A leave of absence will be considered on a case by case basis (Example: extended illness or serious injury and may not exceed 60 days within a 12 month period).

The LOA must be requested by the student on or before the 4th consecutive absence. The LOA form should be requested by the parent, high school, or student from the Registrar. The student must contact the program director and provide appropriate documentation for the leave to be considered.

A LOA may be granted if the student is unable to request the leave on or before the 4th absence due to unforeseen circumstances (such as a car wreck) as long as the student provides documentation at a later date. Medical documentation of illness or injury must be received before LOA is applied.

**ATTENDANCE GUIDELINES FOR ADULT STUDENTS**

*LPN & Dental Hygiene listed separately by department*

Adult students are expected to attend class each day and be on time. Violation of this policy may result in dismissal from the program. Students are required to attend 90% of their scheduled hours for the semester. Therefore, SOTC will excuse 10% of those hours. The number of absences the student is allowed will vary depending on the career major. For example, John Smith is enrolled in 300 hours for the semester attending 6 hours per day. Therefore, John can miss no more than 30 hours or 5 days for the semester (300 x 10% = 30 hours/6 = 5 days).
The student will be informed of the number of days he/she can miss each semester.

The following absences are **exempt** and will not count against the 90% attendance policy.

- Subpoenaed Jury Duty
- Subpoenaed Court Appearances
- Military Duty

Documentation should be submitted to the Registrar.

**TARDIES**

Tardiness is considered to be a poor work habit, and excessive tardiness can result in dismissal from the program. A tardy will be recorded by the instructor when the student arrives after class begins or leaves prior to the end of class. Three tardies equal an absence.

**ATTENDANCE CONFERENCES**

Attendance conferences will be scheduled with a Program Director as needed for excessive absences/tardies. The Student Services Director or counselors may assist as needed.

**UNSATISFACTORY ATTENDANCE**

Adults with unsatisfactory attendance and/or a failing grade will face possible suspension from the program and will forfeit financial aid including SOTC tuition scholarships and will receive a bill for any outstanding charges.

**NON-ATTENDANCE**

Students who miss 5 consecutive days and have made no attempt to contact their instructor or program director will be automatically withdrawn from their program of study.

**12. GRADING PROCEDURES** (Policy EC)

**GRADING SCALE**

<table>

An “I” will become and “F” on those student’s transcripts if not removed by completion of satisfactory progress within two weeks of the end of the semester.
GRADING PERIOD
Student progress reports will be issued by the instructor at regular intervals throughout the semester to students failing or at risk of failing. All students will receive a grade report at the end of each semester.

GRADING PROCEDURES
Each instructor’s grading procedure will be explained in the class syllabus. Students shall be given the class syllabus on the first day of school and will be on file in the program director’s office.

UNSATISFACTORY PROGRESS FOR HIGH SCHOOL STUDENTS
A student making unsatisfactory academic progress (F) will be advised to return to their home school at the end of the semester.

UNSATISFACTORY PROGRESS FOR ADULTS
An adult student making unsatisfactory academic progress (F) at the end of the semester will face possible suspension from the program.

13. COOPERATIVE ALLIANCE PROGRAMS
Many students at SOTC can earn college credit from Murray State College (MSC) and Oklahoma State University – Institute of Technology (OSU-IT), Okmulgee, while completing approved courses. Credit can be applied towards the completion of an Associate in Applied Science (AAS) Degree from MSC or OSU-IT. Students must apply for enrollment EACH SEMESTER at SOTC for the courses they will complete that semester for college credit. An enrollment fee of $8 per credit hour will be invoiced by the college in which the student is enrolled. In addition, high school students must meet an academic qualifier in order to enroll. Check with your instructor, program director or student services for information on the specific courses available for college credit within each program.

14. IDENTIFICATION BADGES
All health careers students will be required to have a visible identification badge while on clinical.

15. EMERGENCY SITUATIONS
When emergency situations occur, all students should follow specific instructions posted in their classroom or respond as directed by an SOTC Instructor/Staff Member.
16. STUDENT ORGANIZATIONS (Policy ED)
Enrollment at SOTC automatically allows a student to join the student organization applicable to the course in which the student is enrolled. Instructors will introduce students to the organizations and the benefits to be derived from participation. The purpose of student organizations is to develop leadership, pride in craftsmanship, and appropriate skills for the workplace.

21. GENERAL STUDENT POLICIES (Policy EG)

SCHOOL CALENDAR
School Closings: SOTC’s school calendar may differ somewhat from the high school student’s home school calendar. Students are expected to be in attendance at SOTC any day that classes are in session. High school students are also expected to comply with the attendance policies of their home schools. In the event that a student’s home school is closed but SOTC is not, the student will be expected to be in attendance at SOTC. SOTC’s buses will follow the normal route schedule whenever SOTC is in session. When weather conditions make driving unsafe and when other schools in the area are closed, SOTC’s Administration will make the decision regarding the opening or closing of SOTC. If the decision is made to close SOTC, official announcements will be made on local television and radio stations and SOTC’s website and Facebook page (SOTC Ardmore). In addition, automated calls through SchoolReach may be used to contact students and parents in the event of a school emergency or inclement weather. Announcements will state that SOTC will be closed.

The SOTC director shall immediately notify the SOTC Superintendent and, if possible, a parent or legal guardian of the student.

24. STUDENT DISCIPLINE, SUSPENSION, TERMINATION AND DUE PROCESS (Policy EJ)
Good discipline is vital to the educational program. Discipline should be fair, dignified, and administered with an even temper. Discipline may include, but is not limited to, conferences with students, parents, or guardians, in-school detention, detention, referral to counseling or appropriate social agency, referral to law enforcement, behavior contract, financial restitution, restriction of or revocation of privileges, in-school suspension, and suspension. Disciplinary action shall be based on assessment of the circumstances surrounding each infraction and may take into consideration 1) the student’s attitude, 2) the seriousness of the offense, 3) the effect of the offense on other students, 4) whether the offense is physically or mentally injurious to other people, 5) whether the incident is isolated or repeated behavior, and 6) any other circumstances which may be appropriately considered.

25. ALCOHOL AND DRUG-FREE SCHOOLS (Policy EL)
Students under the influence of alcohol, drugs, or controlled substances are a serious risk to themselves and to others. The Board of Education hereby commits itself to a continuing good faith effort to maintain an alcohol-drug-free school. When there is reasonable suspicion to believe a student has taken or is under the influence of drugs, controlled substances, or alcohol the student must submit to drug testing as set forth in this policy. Additionally, any student who participates in a work-site learning program, which is considered to be on-the-job training which is a privilege, not a right, must submit to drug testing as set forth in this policy.

Any student who violates this policy will be subject to disciplinary action, up to and including expulsion from the student’s program. Any student who refuses to take a drug test pursuant to this policy will be deemed to have violated this policy against the use of drugs and will be subject to disciplinary action as such, up to including suspension.

If you need counseling regarding substance abuse, please see Dianna Fisher and Student Services or the Drug Rehab Center Hotline at 1-800-501-9330.

Students can use their auction bucks to bid on prizes during the auction held in May in the Seminar Center. Possible prizes include cash, TV, DVD player, gift certificates, tools, tool boxes, and more. A prize list will be emailed to instructors prior to the auction. Auction bucks are not transferable and only the student who was awarded the auction bucks can redeem them at the auction. See your instructor for complete rules.

30. FINANCIAL ASSISTANCE FOR ADULT STUDENTS
Financial aid is awarded to students according to Institutional policies and Federal regulations. For further questions or more information, contact the Financial Aid Coordinator.

SATISFACTORY ACADEMIC PROGRESS (SAP)

In order to receive Title IV Financial Aid, a student must be enrolled in and attending an approved program at least half-time, be considered a regular student in good standing and maintain Satisfactory Academic Progress. Good standing is initially defined as the student being academically qualified for admission to study at the postsecondary level, as demonstrated by submission of a valid high school diploma, GED certificate or other recognized equivalent. Southern Oklahoma Technology Center reserves the right to verify the validity of any student’s certificate or diploma. If necessary, we will contact the awarding institution or the State Department of Education to check for any fraudulent records. If a fraudulent record is found and the student receives financial aid, the student can be turned over to the Office of the Inspector General. Continued eligibility is based on meeting the minimum standards as defined below in SOTC’s Satisfactory Academic Progress Policy or SAP. SAP is reviewed periodically at the end of each payment period. This means SAP is reviewed at the point when the student’s scheduled clock hours and weeks for the payment period have elapsed, regardless of whether the student attended or attained them. Depending on the length of the Career Major a student could have several pay periods. Example: A program that is 900 hours in length would have 2 payment periods of 450 hrs/13 weeks.
**Definition - Satisfactory Academic Progress** is a qualitative and quantitative standard that a student must have at each evaluation, defined by institutional policy as the following:

- Student must maintain a cumulative “C” average or above for each payment period
- Student must complete curriculum within 125% of the published length of the program

Specifically this means that a student enrolled in a 1050 clock hour program attending full-time should complete the program in nine (9) months. SOTC will allow students to take up to 25% longer than the published length of the program to complete and still be regarded in good standing. However, the student is not eligible for more than 900 hours of Title IV aid per academic year and cannot be paid for the additional hours. In no instance can the student receive aid for more hours than the program is accredited for. **Example:** A student enrolled in a 600 clock hour major with a payment period of 300 hours must successfully complete the 300 hours associated with the payment period within 375 clock hours or less in order to be progressing. \(300 \times 125\% = 375\)

It is important to note that **all standards** must be met at the end of each payment period to be considered “making satisfactory academic progress”, and to continue to receive Title IV assistance. In addition to making SAP, a student receiving Title IV aid must also complete the scheduled clock hours and weeks in a payment period before funds can be disbursed. SAP will then be reviewed again at the end of the next scheduled payment period.

**Note:** The Satisfactory Academic Progress Policy applies to students receiving SOTC Scholarships as well.

**Leave of Absence**

Students who have been granted a leave of absence and return will be allowed the same amount of time they were absent to make up the work missed. The period of absence will not be counted toward the 90% attendance policy. However, if a student is receiving financial aid, a leave of absence will extend the current payment period. No grades will be kept during the leave and students receiving assistance will not be paid while on leave.
Financial Aid Suspension and How to Re-Establish Eligibility

Students not maintaining satisfactory progress for a payment period will be placed on financial aid suspension for the next nine (9) week period and all grant payments will be suspended. At the end of the nine (9) week period, if SAP has been re-established, grant payments will resume. However, if a student has not reached SAP standards at the end of the nine (9) week period, the student loses Title IV aid eligibility and the student will be required to pay any outstanding charges (Ex. tuition, books, supplies) for that payment period. Students may re-establish eligibility by making SAP upon completion of the 9 week suspension period and grant payments will be re-instated. If the student withdraws during the suspension a return to Title IV funds will be performed; however, since the student was ineligible for a disbursement no funds would be returned. If the student is not in “Good Standing” in terms of conduct, and is withdrawn from their program of study, financial aid payments will be suspended and, if applicable, Title IV funds will be returned to the Federal Government. If the student is readmitted, the procedures for determining satisfactory academic progress will be followed to determine if the student is eligible to continue to receive aid.

Maintaining Eligibility for Assistance

1. First Payment: Student’s enrollment and attendance status will be checked on our student accounting system and documented in the student’s file to ensure the student is enrolled in and attending an approved career major on at least a half-time basis. If the student has met the initial entrance and eligibility standards, the student will receive the first payment within proximity of the estimated disbursement date.

2. Subsequent Pay Periods: If SAP (Satisfactory Academic Progress) has been attained after completion of the first payment period (and the scheduled clock hours and weeks have been completed for Title IV aid) the student will be eligible for their next scheduled disbursement. This procedure will be repeated until all pay periods are complete. If SAP has not been met the student will be notified in writing detailing the reasons SAP was not met and explaining the procedures to get their funding re-instated.
3. Continuing Students: Students enrollment status will be checked and documented in their file to ensure that they are still enrolled in an approved program on at least a half-time basis.

Transfer Students

The SAP policy applies to students transferring from one program to another. Students are responsible for progress in the first program (even if they did not receive financial aid) before being eligible for financial aid in the second program. Students transferring from another school can start over as far as grades and attendance are concerned. However, if we accept credit from another school we would look at the maximum time frame and they cannot exceed the 125% policy.

Withdrawals and Incompletes

If a student withdraws before the end of a payment period, a portion of the Federal aid received may have to be returned to the Government, therefore a Title IV Return is calculated. Students are also given a letter grade at the time of withdrawal. Students making SAP at the time of their withdrawal and return to the same program within 180 days are considered to be in the same payment period they previously withdrew from and can receive the remaining aid for that payment period.

Withdrawal scenarios:

Student did not complete 60% of the payment period and a Return of Title IV was made.

If the student returns to the same program the amount previously returned can be disbursed to the same payment period from which the student previously withdrew.

Student completed more than 60% of the payment period and no Return of Title IV was made.

If the student returns to the same program the payment for that period has already been fully disbursed and earned and no further payment would occur until the student completes that payment period. (In other words, a student
cannot be paid twice for completing the same coursework; nor will the student be paid until all of the course work previously paid for has been successfully completed.) Students receiving an incomplete grade for a payment period will result in an “F” if the student doesn’t resolve the matter within 2 weeks of receiving the “I”. The same SAP policy applies.

**Repeating Coursework**

Students are not allowed to repeat the same program in order to achieve a higher grade. However, if a student withdraws and re-enters the same program the instructor may require the student to start at the beginning of the program depending on how much time has lapsed. If the student re-enters the same program within 180 days the student cannot receive payment for repeating coursework. If the student reenters the same program after 180 days they will be treated the same as a transfer student. The program hours will be reduced by the number of hours the student receives credit for. A student who completes an entire program and re-enrolls to take another program may be paid for the other program no matter how much time has lapsed.
